

The MSM SwissConnect team is a Swiss group of highly qualified specialists in providing services to meet client needs. Members of the firm are graduates of top Swiss and other European universities, as a rule, in the professions of economics and law. Depending on client requirements, the services will be given by Swiss citizens or expatriates with the mother language of the clients.

## **MSM** SwissConnect

We support our foreign clients in accomplishing their private and corporate goals in the country of Switzerland, with highly professional services:

Planning and preparation, financial administration, problem solving and on-site management, legal consultation on signing of contracts and other legal matters, local guidance/interpreting for groups or individuals.

We put the emphasize on a high degree of service, professionalism and transparent business behaviour.
